

Subject: **Notification of the Outcome of Prequalification**

Project name: **Caucasus Energy Network Project Phase I & IIa - BMZ No: 2007 66 352, Lot 1 - Ddmashen Substation**

Project Country: **Armenia**

Ref. No.: **BMZ 2007 66 352**

Procurement No.: **505477**

Contract Description: Armenia received commitment of German Financial Cooperation through KfW Development Bank toward the funding for the cost of the Caucasus Energy Network Project Phase I & IIa. High Voltage Electric Networks CJSC (hereinafter "*HVEN*" or "*the Employer*") is the Project Executing Agency (PEA) for the Project, which consists of:

**LOT**

**1- Ddmashen Substation:** Construction of the 400/220 kV Ddmashen Substation, including high voltage transmission line loops in/out for Noraduz, Gosh and Marash transmission lines.

Date of publication /closing: Invitation 20.04.2020 & Closing 31.07.2020

**List of Prequalified Applicants for Lot 1 Ddmashen Substation:**

| <b>Item</b> | <b>Company</b>                     | <b>Country</b> | <b>Qualification Status</b> |
|-------------|------------------------------------|----------------|-----------------------------|
| 1           | Efacec Engenharia e Sistemas, S.A. | Portugal       | Qualified                   |
| 2           | Siemens Aktiengesellschaft         | Germany        | Qualified                   |

Subject: **Notification of the Outcome of Prequalification**

Project name: **Caucasus Energy Network Project Phase I & IIa - BMZ No: 2007 66  
352, Lot  
2 – Transmission Lines**

Project Country: **Armenia**

Ref. No.: **BMZ 2007 66 352**

Procurement No.: **505479**

Contract Description: Armenia received commitment of German Financial Cooperation through KfW Development Bank toward the funding for the cost of the Caucasus Energy Network Project Phase I & IIa. High Voltage Electric Networks CJSC (hereinafter “*HVEN*” or “*the Employer*”) is the Project Executing Agency (PEA) for the Project, which consists of:

**LOT 2 – Transmission Lines:** Construction of the 500/400/220/110kV transmission lines (including the relevant reconstruction/replacement)

Date of publication /closing: Invitation 20.04.2020 & Closing 31.07.2020

**List of Prequalified Applicants for Lot 2 Transmission Lines:**

| <b>Item</b> | <b>Company</b>                       | <b>Country</b> | <b>Qualification Status</b> |
|-------------|--------------------------------------|----------------|-----------------------------|
| 1           | Kalpataru Power Transmission Limited | India          | Qualified                   |
| 2           | KEC International Limited            | India          | Qualified                   |

Subject: **Notification of the Outcome of Prequalification**

Project name: **Caucasus Energy Network Project Phase I & IIa - BMZ No: 2007 66  
352, Lot  
3 – HVDC Converter Station**

Project Country: **Armenia**

Ref. No.: **BMZ 2007 66 352**

Procurement No.: **505480**

Contract Description: Armenia received commitment of German Financial Cooperation through KfW Development Bank toward the funding for the cost of the Caucasus Energy Network Project Phase I & IIa. High Voltage Electric Networks CJSC (hereinafter “*HVEN*” or “*the Employer*”) is the Project Executing Agency (PEA) for the Project, which consists of:

**LOT 3 - HVDC Converter Station:** Constaction of the 350MW VSC -HVDC Back to Back Converter Station at Ayrum

Date of publication /closing: Invitation 07.05.2020 & Closing 31.07.2020

**List of Prequalified Applicants for Lot 3 HVDC Converter Station**
